

DEMOCRATS UNCONSTITUTIONAL LEGISLATION WILL DESTROY HEALTHCARE IN AMERICA!

By John W. Wallace

In a highly partisan debate American Democrats in the House of Representatives took one more step toward destroying American healthcare and our country. They found the 218 votes they needed to push through ObamaCare. The Democratic leadership ignored millions of Americans who marched on Washington and questioned members of congress at Town Hall meetings across the country. They ignored millions of telephone calls and faxes from American citizens and confirmed that our government leaders are no longer listening to the people. There is no constitutional authority for the federal government to be involved in a national healthcare system.

Obama, Pelosi and the Democrats are trying to pass unconstitutional legislation. They have shut Americans out of the Healthcare debate and ready or not **THEY RUSHED, PUSHED AND PASSED A FINAL HOUSE OBAMACARE VOTE ON SATURDAY** without debate. The final bill vote had been delayed by a growing list of Democrats having ObamaCare remorse.

The focus is now on the Senate and we must continue to tell Democratic leaders not to compromise on provisions that are leaving many questioning the viability of the bill.

Reid says ObamaCare cannot pass until next year. Now is the time to redouble our efforts, target Blue Dog Democrats and be sure that all Republicans fight to **KILL ObamaCare**.

With 111 **NEW** bureaucracies in Pelosi's H.R. 3962, higher Premium Costs And Taxes Are The **ONLY** Sure Thing! The new legislation still leaves unanswered many questions. We must now **STOP** Obama and his dangerous and destructive plan in the Senate.

It is all a big game to Obama to rollout the 1,900-page bill not even reviewed by the CBO that has produced even more questions about its costs and its ability to reduce the deficit. Initial **REPORTS FROM CAPITAL HILL SHOW DISAPPOINTMENT FROM LIBERAL AND CONSERVATIVE DEMOCRATS** alike about what is in the bill and what's been left out.

The fight for freedom and liberty must continue. It is now time for those Americans who have been standing on the sidelines to get off the bench and into the game. It is time for the American people to stand up and resist the socialist takeover of our country. If we don't stand up and **FIGHT** against the radical Left leadership of this Democratic congress and presidency, there might be nothing left of the America we know and love.
